Are you aware of the 25 by 25 initiative?

- Yes: 66%
- No: 29%
- Unsure: 5%

Awareness of the initiative has remained the same as last semester.

Do you support the three guiding principles of 25x25 initiative?

- Yes, all three guiding principles: 75%
- Yes, some of the guiding principles: 21%
- No, none of the guiding principles: 4%

Three main principles were accessibility, adaptability, and affordability. Most disagreed with accessibility due to fear of lower entry standards, devaluing of degree, and lower quality of education.

Do you feel the value of your degree has changed while enrolled at Texas A&M?

- Increased: 1435
- Remained the Same: 681
- Decrease: 215

91% of students believe the value has increased or not changed; students believe “value” comes from Texas A&M reputation, the Aggie network, job demand.
How much are you willing to pay towards study abroad?

Most students are not willing to pay to study abroad (average cost $5000-$10,000)

Did you participate in any of the following activities over the summer of 2013?

Most students have a part-time job and school over the summer

What would be the impact of a mandatory summer session between freshman and sophomore year?

Would negatively impact mainly due to internships, “need a break,” “mandatory is bad,” money, and study abroad

Rank the following summer activities:

**Need to further evaluate this by class year**

<table>
<thead>
<tr>
<th>Activity</th>
<th>Most important</th>
<th>Least important</th>

Do you know about the new engineering education complex?

- Yes: 40%
- No: 60%

(Some students may not know what the new building is going to be called)

What facilities would you like to see within the new complex?

- Computer Labs/ Printers: 298
- Study Room/ Areas: 251
- Food Court/ Kitchen Areas: 227
- Tutors/ TA’s: 175
- Couch/ Lounge Area: 101
- Specialized Equipment labs: 99
- Rec Area: 33
- Green Roof/ Fountains: 24
- Grad Student Offices: 14
- 3D Printers: 13
- Career Center: 11
- Convenience Store: 11
- Charging Stations: 4

Students would like study rooms with projectors and smart boards, a store with basic office supplies, electronic rental, and food options

Do you think you will stay on campus longer?

- Yes: 958
- No: 408
- Unsure: 700

Most students need more details to decide if they will stay on campus longer

Would you use a centralized on campus tutoring center inside the EEC?

- Yes: 59%
- No: 26%
- Unsure: 15%

Students’ reasons for not using tutoring included they do not need tutoring, use other sources, or expect it to be ineffective
