EnVision Conference Behavior Agreement

The Texas A&M EnVision Conference aims to give all ages the chance to explore engineering at Texas A&M. To ensure that every student is receiving the full benefits of the conference, we ask that this behavior code be followed.

All delegates are expected to follow the University policies and regulations, which can be found at http://student-rules.tamu.edu. Delegates must not leave campus for any reason and must follow any rules and/or restrictions the EnVision staff implements. Additionally, being under the influence and/or use of alcohol or any kind of illegal drug is strictly prohibited. If you should fail to abide by any of these rules you will be sent home without a refund of payment.

I have carefully read and understand the previsions stated above and I agree to be bound thereby.
