

EnVision Scholars Conference Behavior Agreement

The Texas A&M EnVision Scholars Conference aims to give high school students the chance to explore engineering at Texas A&M. To ensure that every student is receiving the full benefits of the conference, we ask that this behavior code be followed.

All delegates are expected to follow the University policies and regulations, which can be found at <http://student-rules.tamu.edu>. Delegates must not leave campus for any reason and must follow any rules and/or restrictions the EnVision Scholars staff implements. Additionally, being under the influence and/or use of alcohol or any kind of illegal drug is strictly prohibited. If you should fail to abide by any of these rules you will be sent home without a refund of payment.

I have carefully read and understand the provisions stated above and I agree to be bound thereby.
